## **Mission Statement**

The mission of Patriot School of the Bible is to support the local church by providing Scriptural knowledge and practical training to better equip dedicated Christians to serve God and minister to the spiritual needs of others.

## **Purpose Statement**

The purpose of Patriot School of the Bible is to:

1. Provide a systematic and practical Bible Education for any believer;
2. Help prepare believers for ministries through the local church;
3. Encourage and revitalize those currently in the ministry through an invigorating exposure to God's Word; and
4. Make a quality, Biblical education affordable and use-friendly for every off-campus student.

## **Doctrine Faith Statement**

Patriot School of the Bible stands for the fundamentals of the faith described as: The verbal inspiration of the Bible, the deity of Christ, His virgin birth, His blood atonement, His bodily resurrection, salvation by grace through faith in Christ and the bodily return of our Lord Jesus Christ to set up His eternal kingdom.

## **Statement of Faith**

1. We believe the Bible is the inspired, inerrant, infallible, authoritative Word of God and is the all sufficient rule in matters of faith and practice.
2. We believe in the historical accuracy of all Biblical accounts including: special creation as it occurred during six literal days, the existence of Adam and Eve as the progenitors of all people, the fall and resultant divine curse on creation, and the worldwide flood.
3. We believe in the triune God, existing in three persons: Father, Son, and Holy Spirit. These three are co-eternal and co-equal from all eternity, each with distinct personalities but of one essence. God is sovereign, unchangeable and perfect in all His attributes. He is worthy of honor, adoration, and obedience.
4. We believe Jesus Christ is the Son of God, born miraculously of a virgin, sinless in His humanity, and complete in His deity as the second person in the Trinity. His suffering and literal death was a substitutionary sacrifice for the sin of the world. He was buried and rose again bodily and ascended into heaven.
5. We believe that man is totally depraved and salvation from the eternal penalty of sin is provided solely by the grace of God through personal faith in His person and work.
6. We believe in the personal work of the Holy Spirit which includes conviction of sin, regeneration of sinners, and indwelling believers.
7. We believe that Satan is a fallen angel, the archenemy of God and man, the unholy god of this world, for whom the place of eternal punishment was prepared, where all who die outside of Christ shall be confined in conscious torment for eternity.
8. We believe in the bodily return of Christ to establish His literal eternal Kingdom.

## Philosophy of Education

Patriot School of the Bible seeks to advance students in the areas of Christian character, academic skills, subject mastery, Biblical understanding, and practical wisdom. Academic skills and subject mastery are accomplished through clear explanation and responsive repetition, such as that found in PSB workbooks. We believe there is no beneficial understanding apart from a Biblical understanding (Eph. 4:17-24). All of PSB's curricula is written from a Biblically conservative viewpoint. We firmly believe that conclusions about life and reality must be based on the Word of God above all other experience and research.

We believe study methods should be individualized: ([You] study to show *thyself* approved...), and, if possible, directed by a pastor/teacher (2 Tim 2:15).

We believe the product of higher education should be a Christian servant, skilled in the Word of God, trained in an area of service, and able to effectively use his education to the glory of God.

PSB's Christian Homeschool Teacher Certification program provides an ideal means for homeschool parents to enhance their skills as teachers and brush-up on subjects such as math, English and Biblically-based science.

This program is also ideal for parents considering the homeschool option but unsure of their abilities. Successful completion of this program will give parents the confidence and skills necessary to teach their children at home.

## Christian Biblical Counseling Certification

God has ordained the Church and the Family to give Godly counsel. Christians should resist seeking the world's counsel for the questions that come up in life. Christians are not immune to life's problems but they are directed by God to seek out Biblical counsel.

Likewise, God desires that anyone giving counsel knows His Word and follows the precepts He has given. A secularly educated counselor may find it difficult to depart from worldly teachings and give Godly counsel. God desires a Spirit-led approach to counseling. This means a counselor must be trained in Biblically-based counseling precepts and the Word. Completion of PSB's Christian Biblical Counseling Certification provides the basics required to provide Biblically-based godly counsel to those in need.

Missions are the vital link in sharing the Word throughout the world and in our own backyards. Mission trips are not a 'Christian vacation'. Missions outreach takes spiritual seeking, prayer and planning, Biblical knowledge of the basis of missions, and the ability to effectively communicate the basis of Christian life. Mission are a spiritual life or death battle for the people reached by the missionary. It is imperative that the missionary is prepared for the battle.

Graduates of PSB's Missions Techniques and Skills certification will know the Biblical answers that not-yet believers will ask. They will know the way to lead someone to the Lord, and they will passionately seek the lost to lead them to the Path.

# Successful Christian Parenting Certification

Being a Christian with children does not guarantee successful Christian parenting. There is no greater spiritual task than training the children God has created and given to as a gift. Children only grow up once. Parents are admonished by the Lord to train them up in the way they should go. Oh, and did we mention those teenager years?

Children will be bombarded with the world's "truth" and will find it challenging to walk away from it.

Successful Christian parenting requires that we know God's Truth and pass it on to our children. To do this, parents must know God's Truth and be able to communicate it to their children in a manner that the children will take it to heart and make it their own. This program will provide today's parents the fundamental information and practical tools to achieve this goal. Parents cannot afford to skip this training!

# Leadership Training Modules

---

## Theological Foundations for the Ministry Leader

Course Options (Choose 3)
Basic Bible Doctrine
Life of Joseph
Spiritual Leadership
Effective Women's Ministries
The Biblical Family
Character Development
Family Financial Management

The key to church growth and individual spiritual growth is discipleship under a Godly leader. This is most effective in small group settings organized around a common interest. Appealing common interests include gender, age, family units, prayer, life issues, or spiritual topics.

It is important to God and the church body to have leaders grounded in sound Biblical doctrine as well as strong spiritual leadership skills. The ministry leader must have a hunger for God's Word as well as the love that Jesus has for others. This module will provide the training the aspiring or current church ministry leader needs and will equip him or her to use their God-given gifts.

## Spiritual Leadership & Theology for the Small Group Leader

Course Options (Choose 3)
Basic Bible Doctrine
Discipleship Training
Personal Evangelism
Book of Nehemiah
Spiritual Leadership
Overcoming Obstacles
Principles of Spiritual Growth
Biblical Leadership

This module will equip the leader with the Bible knowledge needed to lead a small group. Many people will testify that small groups organized around a 'need' or 'interest' are the life blood of church fellowship, providing the intimate setting necessary for spiritual growth.

The best small group leaders are called by God and can come from a variety of backgrounds including long-time Christians to those who escaped a destructive lifestyle by the grace of God. When the gratitude of these people is combined with Bible knowledge, God has the leader He can use. Many of the largest ministries in today's world started as a small group led by a Spirit-filled believer saved by grace.

## Church Christian Education Precepts and Guidance

Course Options (Choose 3)
Basic Bible Doctrine
Children's Ministries
Intro. to Early Childhood Education
Character Development

Many adults can remember the impact their Sunday School teacher made on them as a child. In fact, many were likely led to Jesus by them. What does it take to be a successful teacher? Faith, love, and hope combined with the passion to teach the Bible to others. This module will give the teacher of both adults and children the necessary Bible doctrine and basic apologetics training to be an effective teacher.

Additionally, this module provides the teacher with a wealth of ideas for building and growing his/her class within their local church. The Sunday School teacher who loved you and shared the Good News with you operated under the direction of the Holy Spirit. One of the most powerful courses in this module examines the partnership of the Holy Spirit for successful teaching.

## Compassion Ministry

You may be surprised to learn that our correctional system is a fertile ground for church ministry. Each jail or prison has the population of most churches and an audience that is hungry to hear of God's compassion. These inmates need a minister just as much as those on the outside. It is a unique ministry field requiring at least a minimum amount of training.

Nursing homes, assisted living facilities, all are increasing in population. The residents are often eager to hear the Word, have a minister visit, or have come to realize their need of a Savior. This module will provide those called to nursing home ministry the knowledge and confidence to reach out to the residents in need.

Not surprisingly, there are more people that don't go to church than do, some believers that have become alienated from the church and some not-yet believers. This fact leads us to the inevitable conclusion- the Word must be taken to them. For those called to take the Word out the community at large, this module will provide the tools to successfully carry-out their calling.

This ministry module will help launch the near-ready minister out into the field and give the local church the satisfaction of the soul-winner's joy.

Course Options (Choose 3)
Jail Ministry
Basic Bible Doctrine
Listening to God
Key Words of the Christian Life
Personal Evangelism

## Biblical Foundations for Music Ministry

Course Options (Choose 3)
Church Music Ministry
Basic Bible Doctrine
Bible and Prayer
Key Words of the Christian Life
Psalm 23
Listening to God

Can a school teach music ministry without a piano or guitar? Yes! Musical skill must be combined with solid doctrinal grounding. Our music ministry module builds upon the musician's raw skills, applying key doctrine and words of the Christian life. It is imperative that the lyrics of songs be Biblically sound.

Worship and prayer is an integral part of music ministry. This module gives foundational training on these basics, as well as providing practical ideas and methods to help church leaders in every area of a music ministry.

## Church Administration Strategies and Priorities

Course Options (Choose 3)
Sunday School Administration
Book of Nehemiah
Handling Adversity
Church Management

Church administration has never been more critical than it is today. Most pastors will say they don't have this gift so they delegate it to an elder, deacon, or secretary. This position is often on the firing line of conflicts within the church and should not be entrusted to an untrained disciple.

This module teaches leadership characteristics from the lives of Joseph and Nehemiah. It trains potential administrators to handle adversity and presents proven strategies to formulate administrative priorities. The module spans church business administration, Sunday school administration, and Christian school management.

## Biblical Prayer Group Leader

Course Options (Choose 3)
Bible and Prayer
Key Words of the Christian Life
God's Wonderful Promises
Christian Warfare
Study of Daniel
Power for God's Work

There is a difference between personal prayer and being a prayer group leader. The leader must have a solid foundation of prayer concepts but must also know how to lead others in prayer as well as build excitement to attend prayer sessions. This course implants solid, conservative, biblical doctrine in the prayer group leader allowing them to scripturally pray and lead prayer to the God of all comfort.

## GENERAL BIBLE

### **GB 101P—Basic Bible Doctrine**

This course covers important Bible doctrines including the attributes of God, the person and work of Christ, the ministry of the Holy Spirit; and teachings regarding man, Satan, angels, the church, and end time events with added emphasis on Christian living.

### **GB 103P—Bible Study Methods**

Effective personal Bible study is essential for spiritual growth. This basic course introduces you to the types, tools, and techniques that will give you the confidence to discover what God is saying to you — directly from His Word. What are the essential guidelines that will help you in your quest for the Truth that is found in Scripture? How can you learn to get into the Bible until the Bible gets into you?

### **GB 105P—Humility**

“Humble yourselves therefore under the mighty hand of God, that he may exalt you in due time” (1 Peter 5:6). The Lord desires to exalt you! And He will, after your natural pride is replaced with His supernatural humility. In this crucial course, Andrew Murray and others provide great insight from God’s word on the pivotal ingredient of true Christianity.

### **GB 125P—The Holy Spirit**

An inspiring look at the attributes and work of the Third Person of the Godhead, through the research of Theodore Epp.

### **GB 127P—Christ’s Second Coming**

More than 300 verses in the New Testament remind us that Jesus is coming again! In this study, Hugh Pyle, R. A. Torrey and others discuss various aspects of this great coming event and what it should mean to us today.

### **GB 201P—Surviving an Economic Meltdown**

How can I survive the current financial crisis in our nation? People are getting laid off, many are losing their homes, investments have gone up in smoke. Does the Bible have anything to say about this? This course is for anyone entangled (or about to be) in an economic meltdown. Know this; priceless treasure is within your reach. And with it, liberating joy. Discover a joy more precious than gold. Learn practical and spiritual strategies for you and your friends. Jesus has given us the treasure principle. Unearth it.

### **GB 202P—Key Words of the Christian Life**

A doctrinal word study based on the work of Warren Wiersbe covering such topics as justification, adoption, regeneration, propitiation, imputation, sanctification, reconciliation, redemption, intercession, mediation, predestination, and glorification. This course is designed to deepen the student’s walk with Christ.

### **GB 203P—Heaven and Hell**

Heaven is real; so is hell. And everyone will spend forever in one or the other. Therefore, it is vital that we learn what the Bible says about each of these eternal places. This knowledge can fuel our belief-system to help us answer mankind’s most compelling faith questions. Dr. John R. Rice, Curtis Hutson and others contribute to these crucial studies.

### **GB 205P—Present Labor & Future Rewards**

When will we be judged? How does God chasten believers? Is sickness a result of sin? What kind of rewards will believers receive? How can I be sure of receiving a Crown? This course answers questions like these, as well as others frequently asked about future judgment and preparation for it. Based on the research of Theodore H. Epp.

### **GB 21P1—Basic Theology**

What is Theology? Who is the God of the Bible? Is He actively involved in today’s world? Does He know all about me? What does the Bible say about the Trinity? This course gives scriptural answers to these and other questions, using the insight of R.A. Torrey and others.

### **GB 212—Christ Our Sufficiency**

How is Christ our sufficiency? The word means adequate, enough. Evangelist Oliver B. Greene demonstrates that the Believer’s needs are fulfilled in Christ as Savior, Redeemer, Advocate, Great High Priest, Life, Lord, and Hope. He is our all in all. The Apostle Peter testifies, “According as his divine power hath given unto us all things that pertain unto life and godliness, through the knowledge of him that hath called us to glory and virtue” (2 Peter 1:3). This course declares the full breadth of this foundational truth.

### **GB 222P—Bible and Prayer**

A rewarding study about prayer in the life of the believer. Includes 30 aspects of prayer such as: the purpose of prayer, the preparation for prayer, the power of prayer, private prayer, public prayer, and the perfect prayer.

### **GB 301P—Bible Times and Customs**

Knowing Oriental manners and customs is basic to understanding the Bible. This course deals with subjects such as customs at mealtime, education of youth, trades and professions, customs regarding marriage and property, along with many more.

### **GB 302P—God of All Comfort**

Based on the classic by Hannah Whitall Smith, this encouraging course helps Christians become better acquainted with God and to experience all He has for us.

### **GB 311P—Eternal Security**

Can salvation be lost or is it truly eternal? How does the minister assure a doubting but repentant believer? How does the “unpardonable sin” fit into this discussion? One of the oldest New Testament arguments is “grace vs. Works”. It continues today—even within God’s kingdom. This course gives the believer a comprehensive Biblical teaching on whether salvation can be lost once received. Charles Stanley and Curtis Hutson provide the teaching that could revolutionize the joy of your faith. A Biblical understanding of this topic will give the minister a powerful evangelistic and disciple-making tool.

### **GB 321P— Bible Places**

Everything has to happen somewhere. That’s why places are important. Bible places are where God often touched the lives of Bible people. Bible places are the historical and geographical link to the truth of God’s Word. In this course, we will use the research of Woodrow Kroll and others to explore more than 125 of the thousands of places in the Bible.

### **GB 322P — Joy in Your Life**

Has life got you down? Are you feeling overwhelmed? We know that the joy of the Lord is the Christian’s strength, but sometimes it seems so illusive. This course offers timeless, Biblical teaching from Vance Havner and Charles Spurgeon. Learn how to receive, keep and share an abiding joy that will remain despite the struggles and trials of daily living.

### **GB 325P—Christian Living**

What really counts in the Christian’s life? A believer’s walk can become sidetracked by the tyranny of each day’s needs. This course is a practical guide to Christian living. It aims to bring focus on what matters most in life and what doesn’t. Topics covered include the future, worship, the church, God’s word, relationships, significance, work and career, money, health and much more. Lessons and advice taken directly from the Bible. Anecdotes and personal reflection make this an enjoyable course.

### **GB 403P—America in Bible Prophecy**

What does the Bible tell us about the role of the United States in the end times? In this course, Mark Hitchcock and others address some of the hottest questions regarding America in Bible prophecy.

### **GB 405P—Christian Warfare**

The Christian life is a warfare, not a picnic. We’re called to be soldiers, and this course identifies our enemies, shows how we should fight, and describes the conditions for victory.

### **GB 411P—God’s Wonderful Promises**

A valuable study of God’s promises for personal strength, daily provisions, Divine protection, and inner peace. This course also utilizes *The Bible Promise Book* which contains more than 1,000 promises from the Bible.

### **GB 415P—Listening to God**

God wants to communicate with us! But often the clamor of many other voices leave us confused and frustrated. In this practical course, Dr. Charles Stanley shows us what the Bible says about how to distinguish God’s voice from the others. Your relationship and attitude to God can be free from distortion. Learn to listen to the God who wants to speak to you.

## **OLD TESTAMENT**

### **OT 101P—Old Testament Survey 1**

This survey course summarizes the overall contents of the first 17 books of the Old Testament (Genesis-Esther). Many Christians wrongly believe that the Old Testament contains nothing relevant for today. It is almost treated as a separate document that is ignored or treated as a dead history. In truth, the Old Testament points to Jesus Christ. Jesus Himself said that He came not to abolish the OT but to fulfill it. Bible students must know the OT to fully understand the New Testament.

### **OT 102P—Old Testament Survey 2**

This survey course covers Job through Malachi.

### **OT 203P—Book of Ruth**

J. Vernon McGee leads this study on the *Romance of Redemption*. Is there any more memorable statement of faith than Ruth’s “..thy people shall be my people, and thy God shall be my God.”? This woman of faith lost her husband and came out of the idolatrous land of Moab only to be remarried to Boaz. We have much to learn from this ancestor in the line of Jesus our Lord. Redemption is only possible through a Kinsman-Redeemer. The student will gain a fuller appreciation of our Redeemer - Jesus Christ.

### **OT 205P—Nehemiah**

Have you known people who are able to “make a difference” even in the most difficult situations? Nehemiah was that kind of person. He was a layman called by God to rebuild the walls of Jerusalem. In spite of opposition he stayed on the job and finished the work. God is continuously looking for “Nehemiahs”—people with vision, courage, and faith. Our Father uses men and women who see possibilities and believe that God can use them. In this Bible study, Warren W. Wiersbe will inspire the student to be determined in life’s tough situations. Pick up your sword!

### **OT 207P—Book of Esther**

God’s hand of providence and protection on behalf of His people is evident throughout the Book of Esther, though His name does not appear even once. In this study, J. Vernon McGee helps us understand some of the riches and valuable lessons from this great story.

### **OT 213P—Christ in the Tabernacle**

Theodore Epp reveals how Christ is portrayed in every aspect of the tabernacle God commanded Moses to build. This will allow the student to understand not only the rich symbolism of this structure but also its relevance to our personal worship of God through Christ.

### **OT 311P—Psalms Course I**

The book of Psalms is the very heartbeat of God’s Word. J. Vernon McGee says, “There is a more complete picture of Christ in Psalms than in the Gospels.” A strong claim indeed! Psalms discusses every spiritual and psychological experience possible to man. The collection has been called not only an anatomy of the soul but a mirror that shows us the truth about sorrow, love, grief, peace, fear, doubt, hope, cares, faith, worries, and stress. The student’s appreciation of Psalms will abound even before finishing this course.

### **OT 314P—Psalm 23**

Shepherd Phillip Keller shares his insights into the life and character of sheep—and of the Good Shepherd who loves and cares for them. David, the “Shepherd King” and son of a shepherd, wrote Psalm 23 from humble origins with teaching couched in rural terms. Today’s urban city dweller is often unfamiliar with David’s physical illustrations which relate spiritual truth in this most beloved Psalm. This course is sure to open the student’s understanding of Psalm 23 like never before. Oliver B. Greene and Robert S. Peterson round out the instruction in this much appreciated course.

### **OT 315P—Proverbs**

“Proverbs are short sentences drawn from long experience.” This is one of the many profound insights J. Vernon McGee offers in his commentary on the book of Proverbs. During this study you will gain the tools of interpretation needed to dig out the spiritual treasures of God’s wisdom found in Proverbs. The diligent student is given a promise from God to understand the fear of the Lord and find the knowledge of God.

### **OT 401P—Study of Daniel**

In this course, Warren Wiersbe helps us to learn valuable lessons from the Book of Daniel, such as the joy of building godly character in the difficulties of life, how to overcome the “world”, the importance of daily discipline in the Word of God and prayer, and how to be a “transformer” rather than a conformer.

### **OT 404P—Ecclesiastes**

Using your Bible, along with commentary by Warren Wiersbe and others, the study of this Old Testament book provides an inspired road map that guides you through the puzzles and problems of living and shows you the source for satisfaction that God first revealed to Solomon.

### **OT 411P—Book of 1 Samuel**

Wiersbe’s fascinating study of 1 Samuel examines how being a follower after the Lord’s own heart made David a true success. The powerful narrative of 1 Samuel helps us to understand how character and greatness is developed, and how it is not.

## **NEW TESTAMENT**

### **NT 101P—New Testament Survey**

Since the entire New Testament is vital to the life of every Christian, it is important to have a bird’s eye view of the “lay of the land”. New Testament Survey provides a blueprint of the purpose, background and contents of all 27 books. It will prepare and encourage you to take a closer look at the riches found in each of these books.

### **NT 131P—Gospel of Mark**

J. Vernon McGee is quoted as saying, “There is probably more content in the first chapter of Mark than any other chapter in the Bible.” Mark reveals that in spite of Jesus’ busy life, He took time to pray. This verse by verse, chapter by chapter exploration spans Mark’s recounting of the prophecies of Isaiah and Malachi through John the Baptist ending with the Resurrection of Jesus. Have you studied this Gospel?

### **NT 311P—Book of Hebrews**

E. Schuyler English is quoted by J. Vernon McGee as saying, "The Epistle to the Hebrews, one of the most important books of the New Testament in that it contains some of the chief doctrines of the Christian faith, is, as well, a book of infinite logic and great beauty. To read it is to breathe the atmosphere of heaven itself. To study it is to partake of strong spiritual meat. To abide in its teachings is to be led from immaturity to maturity in the knowledge of Christian truth and of Christ Himself. It is to 'go on unto perfection'." We agree.

### **NT 312P—Epistles of John & Jude**

Using the commentary by J. Vernon McGee as the study guide, these four epistles combine to deliver a very rewarding course. Ephesus at the beginning of the second century was much like your city or hometown today. There was familiarity with Christianity but the newness had worn off. The Ephesians had become "assembly-line" Christians filled with compromise. The definitions of God, that He is Love, Light, and Life draw the student into a deeper understanding of our Father in heaven. The epistle of Jude anchors this study with his call to awareness of the coming apostasy.

### **NT 401P—Book of Philippians**

"For to me to live is Christ, and to die is gain" is Paul's fully surrendered statement of faith. Is it yours? Theodore Epp and J. Vernon McGee discuss how Christ is preeminent in all things and how we can see Him as our life, our mind, our goal and our strength. Philippians deals with the philosophy, pattern, prize, and power for Christian living. The Christian will benefit tremendously from this study.

This course will help you understand a local church's ministry and encourage you to be faithful to the Word, to your tasks and to other people.

### **NT 406P—1 & 2 Thessalonians**

In this course, Warren W. Wiersbe shows how a study of 1 and 2 Thessalonians provides both prophetic and practical lessons. ## **BIBLICAL LANGUAGES**

an exhaustive treatment of any particular problem, but to show the riches of the Greek New Testament and to provide spiritual food and help to those who study the Bible. The student will discover richer meaning in Scripture from the Greek language.

### CE 401P—Learning Styles

Effective teaching begins with knowing the student’s learning style. Once understood, parents and teachers can become far more effective in helping children grasp confusing concepts, stay interested in lessons, and utilize their strengths. ### **CM 101P—Spiritual Leadership**

God’s church has never had a greater need for divinely-empowered leaders! These classic studies by Oswald Sanders and R. A. Torrey are recognized by many of today’s Christian leaders as the foremost works on this subject. They plainly convey how spiritual leaders may obtain God’s wisdom and power to serve Him effectively.

### **CM 102 - Your Calling, Passion and Purpose**

How are you? Christian motivational author Zig Ziglar would answer, “Better than good!” Learn the three “P’s” of an inspired life: Passion, Peak-performance, Purpose. You have a call. Are you willing to hear it? Making life count is not so much about what you do as how you do it. And why. Equipped ministers know their spiritual purpose in life and God’s calling on their life. They understand for Whom they live and breathe. It’s time to get motivated for these last days. Endurance and perseverance will follow. Clear your mind of failure-prone thinking. In this course Lindsay Terry offers practical ideas, methods and plans to help church leaders in every area of a music ministry. Music is the universal language of mankind and God is the author. Man is to praise God in song.

## **CHRISTIAN COUNSELING**

### **CC 105P—Overcoming Obstacles**

Every believer has “giants” that need to be conquered in their lives. Dr. David Jeremiah challenges us to stand valiantly and seek God’s power to slay these giants. This course weaves gripping, real-life stories of contemporary giant slayers who came face-to-face with their own Goliaths: temptation, doubt, procrastination, and jealousy. In each, you will discover afresh the eternal unwavering promise of God to overcome those giants.

### **CC 112P—Winning Over Worry**

The need to help people cope with the problem of worry cries out for a spiritual solution! Uncontrolled worry corrodes the joy of living and brings about deterioration of mind and body. The world tries to solve these problems with temporary, partial quick-fixes (often resorting to medication that may even lead to substance abuse). Any non-biblical approach will ultimately just give the worrier more to worry about.

People are desperate for a *total* solution, and that can only be found through God’s *peace* principles as revealed in His Word. This course uses a classic best seller by John E. Haggai and a small booklet by Charles Weigle to equip the counselor to point others to worry-free living.

### **CC 225P—The Gift of Forgiveness**

In this course Dr. Charles Stanley shares the specifics of how to receive God’s forgiveness, and addresses such issues as how to practice a life of forgiveness in terms of relationships and how to make forgiveness an ongoing, practical experience. Helping others deal with unforgiveness and bitterness is one of the most important tasks Christian counselors face today.

### **CC 302P—The Bible & Emotional Health**

We live in a day when both believers and unbelievers are crying out for healing of their damaged emotions. Whether through our own fallen temperament, willful disobedience, or as victims of the hurtful actions of others, many people struggle with crippling emotions like guilt, perfectionism, depression and low self-worth. In this course, David Seamands’ classic work is used to present a realistic, Scriptural approach that can bring emotional healing for us, and to provide a useful tool for the counselor to help in the emotional healing of fellow strugglers. In addition, Craig Massey’s Bible study on Romans 7 helps us to understand the war that is being fought within each Christian in his examination of the two natures. He shows that believers must learn to adjust, or they will self-destruct.

### **CC 311P—Counseling the Bereaved**

“Ministering to the grief of those left behind following the death of a loved one is never an easy task. Our world is growing more complicated, the challenges are becoming greater, and the situations people face, more intense.” This practical course uses insight from Warren and David Wiersbe to provide a comprehensive and scriptural resource for pastors and church leaders who counsel people who mourn. It shows how to comfort people through the grieving process and how to minister in a wide variety of situations to those who are dealing with death.

### **CC 312P—God’s Strength for Life’s Journey**

What do you do with the bumps on the path of life? Climb on them. God doesn’t remove the stones and straighten the path because the bumps are what you can climb on! If you are carrying emotional baggage, you’ll need to set it down to climb. Else it will weigh you down with guilt, pain, and inner suffering. Emotional baggage becomes bondage. Jesus came to proclaim liberty to the captives and set at liberty those who are oppressed. Learn how to receive and use God’s strength for the journey of life. Become equipped to guide others in their discovery of liberty in Christ. Dr. Charles Stanley and Warren Wiersbe divide the Biblical principles for this course.

can provide a Biblical resource for you in counseling with others.

### **CC 411P—The Biblical Family**

A church can only be as strong as its homes. A nation’s future is largely determined by the present health of its homes. A healthy home is defined by its conformance to Biblical principles. Exactly what is a Biblical family? Dr. Raymond Barber and Charles Spurgeon give the student a timeless message of family as designed by God. Family is the basic unit of society. “...Not only a helpful course to build the student’s family...helps equip family counselors...” Spiritual parenting is parenting according to God’s principles and learned through diligent study of God’s Word. Isn’t it time we returned to that which worked so well in the past?

## **EVANGELISM & MISSIONS**

### **EM 112P—The New Birth**

Did our Lord Jesus Christ come to this world—suffer and die on the Cross—just to make people moral? Or did He come to do more than that? Today’s soul winner needs to be able to communicate what it means to be born again and what will follow. Can you give solid Biblical answers to questions on such topics as redemption, Christianity, the second blessing and suffering in the life of a believer? This course is based on classic sermons by Evangelist Oliver B. Greene, and can better equip the student to know how to “...be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear” (1 Peter 3:15).

### **EM 120P—Personal Evangelism**

George W. Truett said “the bringing of a soul to Jesus is the highest achievement possible to a human life.” Personal soul winning is the most exciting, the most fulfilling and the most rewarding work a Christian ever does. So why do so few Christians win souls to Christ? One reason may be that they do not know how. In this course R. A. Torrey and others provide valuable tools to show you how to become a dynamic witness for our Lord.

### **EM 201P—Child Evangelism**

Any Christian can lead a child to Christ! It is a unique opportunity given by the Holy Spirit. A little child can believe in Christ. Some say he can’t; Jesus says he can. It is easier to win a child than to win an adult. People saved while a child have a much greater chance of a lifetime of service for the Lord. Discover effective ways to gently point children toward Christ and the salvation He offers.

### **EM 311P—Biblical Basis of Missions**

The Biblical basis of missions is much deeper than the Great Commission Bible verse. Matthew 29:18-19 is one of the most widely used church mission statements. But what of the actual involvement in missions by the church members? Does the Bible have more to teach about missions? Certainly. Dr. Robert Glover's classic work gives attention to the character of the missionary and a wide range of missionary subjects ranging from intercessory prayer to world evangelism.

### **EM 312P—Church Missions Program**

A missions program is more than individuals going on mission trips and is more than a missions committee. The local church should have a well thought-out, detailed, planned strategy. Liberalism, materialism, humanism, inflation, and worldliness insidiously attempt to invade the local church. Strategy speaks of the planned use of armed strength in the time of war. Ours is a spiritual battle. This scope of study involves specific methodology of the church to aid missionaries and to advance the cause of Christ around the globe. Ready?

### **EM 408P—Practical Missionary Strategies**

Biblical principles and common sense approach to the basic preparation for missionary service. This course deals with matters such as the call to mission work, choosing a mission board, family needs, discouragement, differences in countries and major problem areas of missionaries.

### **CS 313P—Life of Joseph**

Special emphasis is given to Joseph as a type of Christ.

This course shows, based on extensive research, the close relationship between God and the founding and development of our country.

### **SS 352P—Christian America**

What if America were a Christian nation again? Does God care which party is in Office? Is it time for Christians to "take back our country"? Where do you sit on this debate? Certainly these are provocative questions for individual reflection or group discussion. We live in an over-heated political climate with values contrary to America's Christian heritage. This subject is never far from any gathering's conversation. D. James Kennedy challenges the student with this vibrant topic. "Bench-warmers" beware!

You will walk with them through their stories of revival and preaching to multitudes.
